ter; while others, fearing to trust Grant

A resolution has been introduced in the Senate, but not sted upon declaring I do hate tu see this delightful invig. it to be the sense of the legislature that orating beverage adulterated it is nektar no action should be taken in extending for the gods, but I am ore obliged to the suffrage until Congress shall have How our ancestors, managed to pass stand still and see kissing did, and not first passed the proposed constitutional

There is considerable diversity of opinion in Tennessee on the question of impresent time, and which we recommend provided to no one councipall in- no new books, indeed but few books of day on the north side ov the Union partial suffrage. It is safe to say that any kind, to read or talk about. News. Square, 5 times in less than 10 minutes; the great majority of the ex-rebel popuwith or sugnant to this ction are hereby realed.

papers were unknown; a wandering beg-farewell, and then immediately thought bracing its intelligence and worth, are in gar, minstrel, or peddler circulated the very small amount of news that was to be told. The innumerable subjects of interest that form our ordinary topics of the kissing waz the effekt ov what they sed waz the effekt ov the kissing. It was a which and tother that negro suffrage is established in Tenthe kissing. It was a which and tother that negro suffrage is established in Tennessee and not likely to be disturbed by So we can only conclude that our ances- Cross-matched kissing iz undoubtedly the logic of coming events they hail any tors, like some semi-savage tribes at the present day, passed their spare hours in relating often told stories, and exercised their wits in asking each other puzzling the strength of the grain. It is trew, thare is no stattu regulashun against two females kissing each other; but I don't think there is much pardon for it, unless the safely set down that Tennessee extends their wits in asking each other puzzling. each one hundred dollars valuation for In ate lecture delived in Dw York their wits in asking each other puzzling it is done to keep tools in order; and by adoption of congressional amendments

time which i refer to, without enny ov him, but it would now give four or five times that amount of money to have the catching all undone. Mr. Lincoln was shrewd and wise when he said, before A correspondent of the Avalanche has the catching, that he would rather pay got hold of a few secrets with regard to then to have him arrested in it. to help Mr. Davis out of the country

Nearly four years have passed since Mr. Davis was arrested. For two years The Receivership has been a nuisance he was kept in cruel confinement upon as expensive as impracticable. Some- the charge of treason, and for pearly two body's relatives or friends receive large years he has been at large, under bonds saluries for increasing the muddle, and awaiting trial. The time for his trial carte blanche to steal, if their tendencies has been set a dozen times, but pretexts are in that direction. And I whisper it have in all cases been found or invented confidentially, that the tendencies have for postponement. And his trial now taken that chute to an alarming extent, seems further off than ever. The Radi-Especially has this been visible in the cals don't seem to know what to do with management of the Nashville and North: him, though they know very well what western railroad, over which the gifted not to do. They will neither try him General" Innes awhile presided. Innes nor discharge. To discharge him would was one of Brownlow's pets, and had a be to acknowledge that the Government commission as Receiver in his pocket has been stultifying itself for years, even before the road was jerrymandered whilst trying him with the absolute cerout of the hands of the owners. Three tainty of a failure to convict would be hundred thousand dellars in bonds had such an exhibition of folly and madness been voted, and as soon as he obtained as the Government has not the temerity control. Brownlow placed a third of to face. So prograstination is the only them in his possession. Being a "Re- game the authorities know. They hope ceiver," he received them. He also "re- that he may die a natural death or be asceived" for several months the earnings sassinated—anything to be out of their of the road, managing beautifully in this way.

The Iron Mountain Road. pay. Not long afterward, Innes, who It is with pleasure that we note the had tricked the State out of an addition- improvements got & forward on the Iron al \$3,500 in salary, also "struck."
